

San Diego Trolley

The San Diego Trolley's Green Line is adjacent to the Town & Country at the Fashion Valley Transit Center. The Trolley is a fun way to get around, whether traveling to the International Border or heading to Centre City's shopping, restaurants, harbor, and historic attractions. The San Diego Trolley serves historic Old Town—California's birthplace—with its many shops and restaurants, Mission San Diego, the USA/Mexico border in San Ysidro, and Qualcomm Stadium at Jack Murphy Field.
