usenix
THE ADVANCED
COMPUTING SYSTEMS
ASSOCIATION

Calling All Students!

Who We Are

Since 1975, the USENIX Association has brought together the community of engineers, system administrators, scientists, and technicians working on the cutting edge of the computing world. Our mission is to:

❯❯ Foster technical excellence and innovation

❯❯ Support and disseminate research with a practical bias

❯❯ Provide a neutral forum for discussion of technical issues

❯❯ Encourage computing outreach into the community at large

What We Do

We offer services to the advanced computing systems community in the following ways:

❯❯ Conferences (research presentations, community building, and training)

❯❯ Academic Programs and Good Works (for students, academics, and the community)

❯❯ Publications (periodicals, proceedings, and books)

❯❯ Membership (provides benefits and participation in shaping the industry)

❯❯ Open Access (to research and publications from events)

❯❯ Publishing Partnership with *PeerJ*

Why Students Should Join

USENIX offers programs tailored especially for students, including:

❯❯ **Student Discounts:** We keep membership dues at a low rate: students can join USENIX for $50/year. We also offer registration discounts for students at most USENIX events.

❯❯ **Conference Grants:** USENIX works with partners to provide financial assistance to students to attend USENIX conferences, covering registration and helping with expenses.

❯❯ **Unparalleled Networking Opportunities:** Students who attend USENIX conferences have the chance to mingle with leaders in their field. There are numerous opportunities to chat with industry experts throughout the conference, including the on-site Students and Young Professionals meetups, the "hallway track," and various evening events.

❯❯ **Publish Your Work:** CiteSeer ranks our proceedings among the top ten in highest impact for computer science. Proceedings are published for each event and are immediately and freely available to a world-wide community. USENIX also offers a Best Student Paper Award and cash prizes at many events. Keep an eye out for our Calls for Papers (CFPs), and submit a paper or poster!

❯❯ **Partner Discounts:** USENIX offers its members discounts on everything from *Linux Journal* to No Starch Press and O'Reilly books, and more.
